Honor Society

This year the Emporia High School became a member of the National Honor Society of secondary schools. The charter is number 182 given on the fourth day of March, 1924, by the National Council.

The purpose of this organization is to create an enthusiasm for scholarship, to encourage school citizenship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of the Emporia High School.

On March 12 the 1924 group became members of this society. On April 4 the faculty of the High School gave a dinner in their honor, thus setting a precedent for the coming years. One of the important functions of the dinner was the receiving of the members elected to the local Honor Society in 1922 and 1923 into full membership of the Emporia Chapter. The constitution provides that the program at the annual dinner shall be given by the newly elected group. The 1924 group gave the program on this evening.

The special contributions of this class were the presentation of the charter, the selection of the color, the choosing of the motto and the beginning of the society record.

William is the brilliant star of our History class. He came down from Roosevelt this year, but has established himself soon as one of our brightest students.

SPURLA COWSER

We haven't had time to really get acquainted with Spurla because she only came to us for this year. She belongs to the Y. W., but we are sure she would have had a more active part in our school life had she arrived sooner. We are glad she is with us this year anyway.

FLOYD HORTON

Floyd is one of the dark featured boys of our class. He is very clever and is always saying something funny. We all wish Floyd good luck and hope he will be successful. Hi-Y.

JOYCE STUBBS

Joyce entered from Mulvane and ranked high in popularity. She is a very good librarian and has a smile for everybody. She is a good singer and an active member of the Y. W. Glee Club, Girl Reserve, Librarian and lead in "Gypsy Rover."

Isabelle Gwinner: "Miss Potter, I can't get into this seat."

SYLVIA NEILL

Sylvia came to us from Roosevelt in her Sophomore year and at once became one of our popular members. But who could help from being popular, with as many talents as Sylvia? Sylvia took a lead in several of our plays, danced a bit, sang a bit, and altogether made one of our best members.

LLOYD OTT

Lloyd is another small boy of the class. He is said to be a shark in some subjects and we hope he is. Anyway, making a long story short, we like Lloyd, don't we?

BLENDA STUBBS

Blenda is one of the blonde girls of our class. She is a happy girl and has lots of ideas which are good. She was one of our best librarians and also a member in nearly all of our activities. She has taken active parts in nearly all of our plays. The class will lose a good member when they lose her. Glee Club '21, '22, '23, Shakespeare Club, Dramatics, Y. W., "Gypsy Rover," and "Pilgrims Pageant."

FRANK ECKDALL

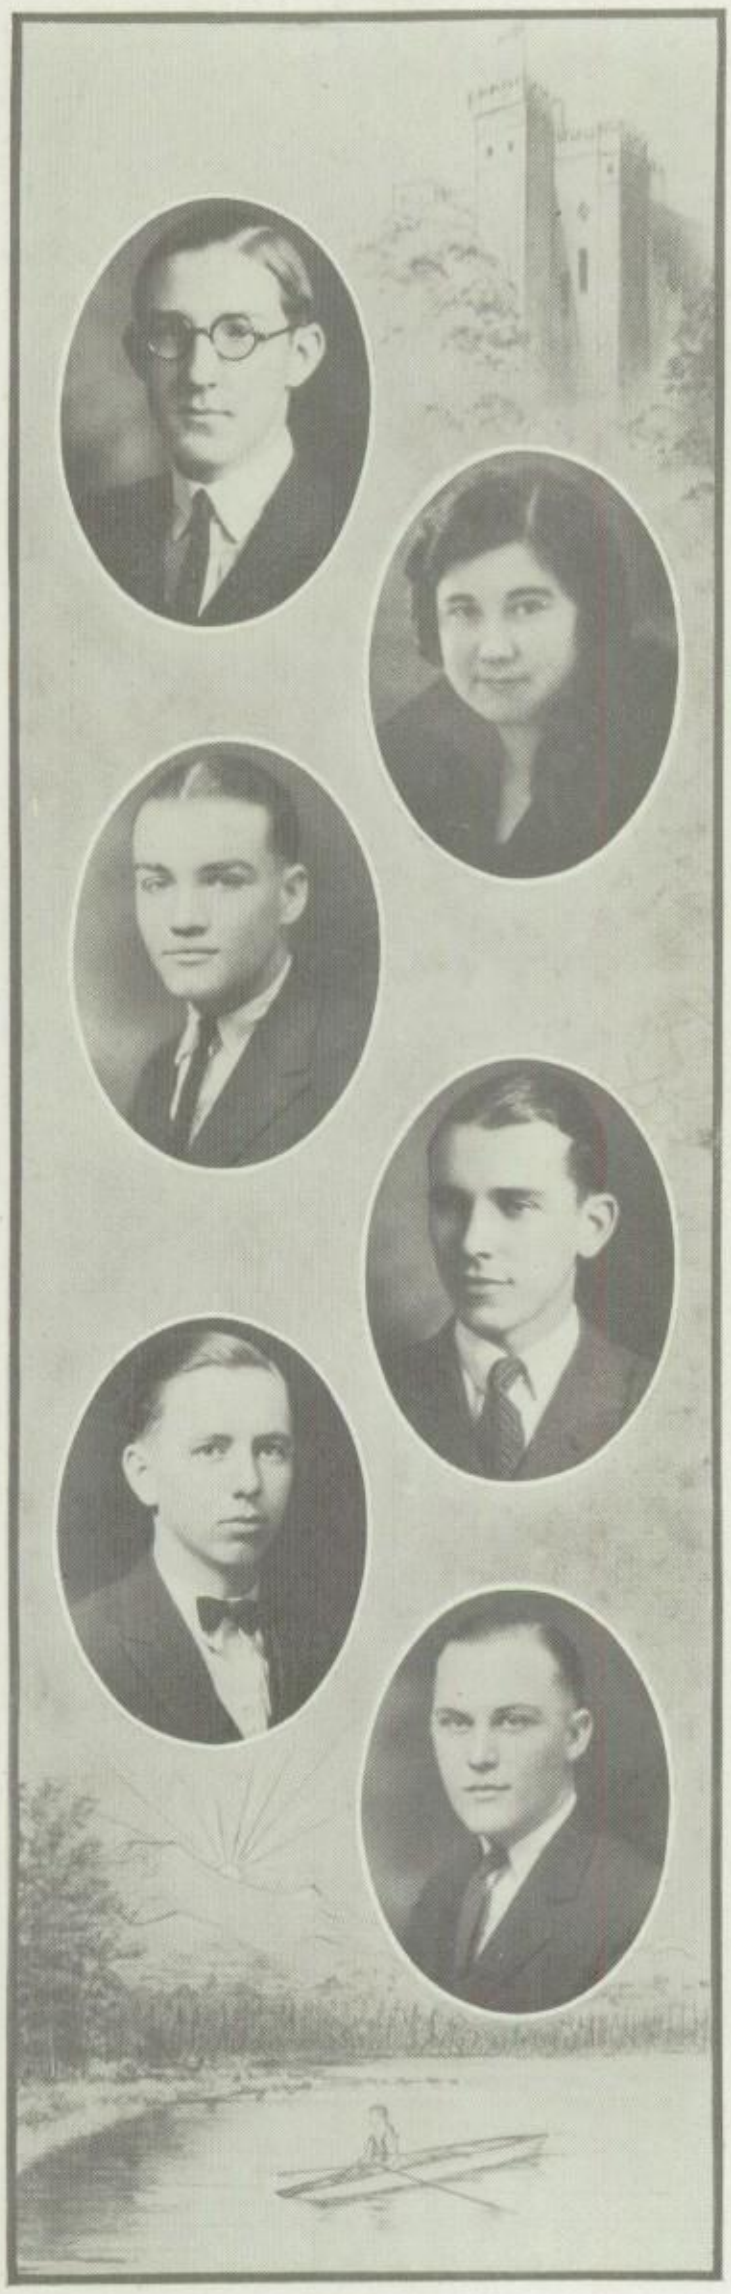
Of course you know that he is the high school tennis champion, also a very strong debator. Frank doesn't believe in wasting time on girls. He is an unusually studious boy and (has made high school in three years and a half). Echo.

ESTHER PRICE

Esther is a very quiet girl and is usually found studying a book, nevertheless she has given her support to the Y. W. Her characteristics are quietness.

AGNES McMILLAN

Agnes is a girl with lots of foresight, determination and grit. We all like her, because she helps put us on the Honor Roll and always tends to her own business. She belongs to Y. W.



WILLIAM LOVELESS

William speaks but little but says much and never misses a chance to participate in a debate. Talk it right up "Bee," we're for you!

MILDRED HARVEY

When Mildread leaves this school it will be a hard matter to find a girl to fill her place. She is one of our active members, and a good activity pusher. Ibson, Shakespeare, Dramatics, and Y. W.

WILBERT DAWSON

Wilbert is one of our class-mates who knows life is short and insecure, so one must not hurry away from any pleasure. One can always get a glance of happy Wilbert, running around in the "Ford."

CARL SMITH

Carl came to us from Roosevelt and has been one of the leading singers in the Glee Club this year. The more you know Carl the better you like him. Anyway we surely were for him in the "Gypsy Rover."

HAROLD HUNT

Harold came to us from Burlington, and we've been glad of it ever since because he certainly has lent a hand in the Orchestra and Glee Club this year. Who could ever forget him, in his Chemistry class? Harold thinks all the wise think slowly—and he doesn't think fast himself.

LOYD DAVIS

Loyd is one of our football men, who we won't ever forget. He always does his part well, in a cheerful and pleasant way. All the boys like him—and lots of the girls. Every class ought to have a "Loyd" in it, hadn't it?

Ed Price: "I'm an Honor Student, (and honorable)."

NELL YOUNG

Nell came to us from New Mexico last fall. She is a capable student and a good singer.

WINIFRED BURNS

Winifred is one of the leading colored girls of the school activities. She is an important member of the colored Y. W. and works industriously.

ODESSA IRWIN

Odessa always has a smile that won't rub off, even on a rainy day. She belongs to the colored girls' Y. W., and did belong to the Glee Club. Odessa informs us that she don't like History—so she's like most of us.

Football Season

Our season this year was a great success, and much credit must be given to Coach Rapp in making it so.

The opening game was played with Burlington which ended in a tie, 6 to 6. Our next game being the first home contest, was played with Kansas City, Kansas, which resulted in our victory by a 25 to 0 score. We next took on Abilene, our old rivals, who received the short end of the 13 to 0 score. In the next contest with Manhattan the boys were at a disadvantage on a muddy field and the game ended in a scoreless tie. Topeka was next on the program and were entertained with a 17 to 0 game. Ottawa being next in line were disappointed by a score of 25 to 0. Our last two games with Marion and Lawrence, were sort of a jinx to our boys, but although we lost both games, the team showed them a good fight.

For such a successful season the team was given a banquet and Leo Carle was chosen captain for a victorious season in 1924.

Basket Ball

The Emporia High Basket Ball team this year had the honor of being the best basket ball team in the history of this school.

The reason for the great success of the team may be attributed to the fact that the team was built up around eight men, each one having that old "Fight" that wins a game, which was Coach Rapp's theory.

The season was opened by defeating Wamego 56 to 10 in our gymnasium. From this game on, during the entire season, our team was not defeated. The team coming nearest our score was that against Marion whom we defeated 39 to 30 in their gymnasium. This score was more than avenged when we again defeated Marion, in our gymnasium, 57 to 21.

Success was due the boys because they went into every game throughout the season with that determination to fight from whistle to whistle.

After finishing such a successful season we entered the District Tournament. Our first game was played with Council Grove who was easily defeated 47 to 12. The main feature of this game was that Ed Grant, "All-State Forward," caged 8 goals in 7 minutes of play. In the finals we played Newton and after a rather difficult battle we succeeded in copping the district championship 29 to 21.

After a week of hard practice and with a strong determination the team entered the State Tournament at Lawrence. The first game was forfeited by Seneca. The next two games were easily won, by defeating Ottawa 33 to 12 and St. Marys Acadmy 54 to 8. Our next game with Rosedale was a rather rough contest but we came out with a victory 40 to 11. We then entered the semi-finals and entirely ruined Newton's hopes of being state champs by defeating them 40 to 22. By defeating Newton we went into the finals and played the hardest game of the year against Wichita. A few minutes before the second quarter the team had the hard luck of losing one of its best men, Edward Grant, who was taken out with a dislocated knee. Things looked dark but the boys went back into the game with that old fight and determination to win. In order to decide the winner, an extra five minute play-off was required and when the final whistle blew, E. H. S. had won the state championship 32 to 25.

We had the honor of placing three of our men, Grant, Clow and Zody, on the all-state team.

In the event of winning the state title the team was sent to Chicago to enter the National Tournament. The first game played at Chicago University was against Elgin, Illinois, who was defeated by a score of 30 to 12. Our next game after a day's rest was with Two Harbors, Minnesota. They were easily beaten 39 to 9. On the next day, which must have been our off day, we were greatly disappointed by receiving our first defeat of the year, 13 to 11, from Yankton, South Dakota. The game was hard fought and close to the very last minute of play.

Although the team did not win the national championship they have accomplished something never done before by E. H. S.

In honor of such a successful basket ball season the team was given several banquets which they appreciated very much.

High School Echo

The Echo, our high school paper, which for the past twelve years has been considered the Re-Echo's namesake, was reorganized at the beginning of the school year by Miss Anna Belle Paddock, the Echo's former critic and supervisor. Miss Paddock was compelled to give up her work in November because of illness and F. Jay South was appointed critic and supervisor.

The Echo is published semi-monthly and strives to keep the student body in touch with activities and policies of the school and give the members of the Echo Club experience in newspaper work.

The membership in the Echo Club is open to all students in the Senior High School.

COMMUNITY CITIZENSHIP CONTEST.

In the school year 1922-23 there was instituted an annual contest in oratory among the Citizenship students of Freshman Classification which was to consist of brief orations delivered before competent judges. The idea given from a plan worked out by Mr. Hurt of the Social Science Department.

The Board of Education furnished the large cup on which successive winners' names are engraved. To date they are: Johanna Terry, 1922-23; Dorothy Owen, 1923-24.

NATIONAL CONSTITUTION CONTEST.

The largest newspapers of the United States went together, in the spring of 1924, and conducted oratorical contests all over the nation. Their purpose was stimulation of respect for the nation's fundamental law. Emporia High School was selected as the battle ground for the local, county, district and group contest—the latter covering eastern Kansas and part of Nebraska.

"Eugene Link triumphed over his fellow contestants until the group contest where he tied for second place with Clarence McGuire of Leavenworth High School. George Chumos of Topeka High School took first in the group. Eugene has brought honor to E. H. S. and we are proud of the showing he made. He is a very promising young orator.

Emporia Hi-Y Club

A 100 per cent increase in attendance, interest and enthusiasm tells the story of the growth of the Hi-Y Club this past year over any previous year. The attendance included representatives of every class in school; in interest, faculty, student and athletic organizations gave help and encouragement; as for enthusiasm, this accounts for the present strength of the club.

The program of the Hi-Y is built around its purpose, "To create, maintain, and extend throughout the school and community, higher standards of Christian living." "THE MANHOOD OF THE MASTER," by Fosdick, formed the basis of the year's Bible study. The Inner Circle group used the Acts in studying the life of Paul. A series of "LIFE WORK" discussions were used, led by business and professional men.

The social life of the group was fostered by "Eats" every Wednesday evening at the City "Y" followed by the regular meeting. In addition the athletic teams were entertained, joint meetings with the Girls' Reserves, and Father-Son and Mother-Son dinners were held. Hi-Y Orchestra of eight members furnished music for the meetings and on special occasions. The club was represented at state and district conferences, and Camp Wood.

TOWN MEMBERS

Mrs. Kerr — Mrs. W. A. White

The girl Reserve Club is one of the largest organizations in the school. This year there have been more than two hundred active members. The club met every week in the auditorium where a program was given each Thursday in the month except one on which the regular committee meetings were held. The programs have followed the theme, "Builders, All."

The Service committee had charge of the annual Thanksgiving dinner at the County Farm. They also very successfully aided in the sale of Christmas seals. Poor children were guests at a party given a week before Christmas. The World Fellowship committee sent a box to China at this time, and throughout the year have corresponded with girls of other countries.

The plan of having monthly dinners, at the City Y. W. C. A., was adopted and carried out this year. Other social affairs have been several teas, the Japanese Lawn Fete in September, the Hallowe'en party with the Hi-Y in October and the Parent-Daughter Banquet in March.

Delegates were sent to two conferences. Seven girls and Miss Thomson represented the club at Estes Park last summer and eight girls with two sponsors attended the conference at Topeka in February.

Colored Girls' Y. W. C. A.

In 1917 Miss Elvira Slack, a student secretary representing the National Young Women's Christian Associations, visited Emporia High School and helped to establish among the colored girls of the school a club known as the Amrvila Y. W. C. A. The purpose of this club was to help others and to promote a spirit of friendliness among the girls.

From the beginning the girls have attempted to live up to this purpose. This year there are 18 girls in the association. Meetings have been held once a month and were religious, social and informational in character. The officers for this year are: Artelia Davis, President; Ruth Staley, Vice-President; Thelma Armstead, Secretary.

E. H. S. Wins All-Kansas Music and Scholarship Contest

Each year, under the auspices of the Kansas State Teachers' College, a State Music Contest and a State Scholastic Contest are held. The larger schools as well as the smaller schools are represented. Emporia High School won the championship cup in the Music Contest by taking first place in Orchestra, Girls' Glee Club and French Horn Solo; second in Boys' Glee Club and Mixed Chorus; third in Flute and Cornet Solos; and fourth in Soprano Solo. The championship cup in scholarship also came to E. H. S. as a result of first place in French, Domestic Science and Manual Training; second in Algebra and the relay, and third in Manual Training; Solid Geometry, Physics, Domestic Art and American History.

Class History

The Freshmen of '20 have finished their course
At Emporia High School, which has been the source
Of their wisdom now great, for these Freshmen have learned,
That an abundance of knowledge is not to be spurned.
Their years at High School are gone and past,
And with all these Freshmen will always last
Memories of times both good and bad—
For they were jolly, these lasses and lads.
When they were Freshmen both small and green,
Even then there were some not hard to be seen;
Ira with his assurance and high tenor voice,
Irene with her dancing which was always first choice.
Their sponsors were with them to the nth degree,
And the reason for their progress was not hard to see.
Good times were plenty—the spree in the gym
Made the big headed Sophomores chances seem slim.
With Clyde at the head of the ship of state
They became Sophomores and proceeded first rate.
A supper at Narrow Neck on a serene summer eve,
Produced such a fine time that they hated to leave.
On the way home Richie's Ford acted bad,
But in spite of it all it was the best time they had had.
On field day in May, although the Juniors were rough
The Sophomores showed that they were made of good stuff.
Then Carl steered them through their Junior course,
Diphtheria was bad but some "cases" were worse.
The Juniors played football, debated and sang
And will long be remembered for the pep in their gang.
A party to Flat Rocks in hay racks did ride
All dressed up tacky, their friends by their sides.
Lucille and Jimmy captured first prize
And it seemed that the judges were overly wise.
The very last year will long be remembered
By those who from Juniors to Seniors ascended.
Donald, our president, fixed things up in shape,
Till these dignified Seniors were known through the state.
The banquet in January, which was planned on all fall
Will go down in history as the best one of all.
A hike and a party both featured this year
Will be treasured in memory and seem very dear.
Then came Commencement the best of all things
And these Seniors saw what real diligence brings.
They received their diplomas and felt very proud
And heard congratulations both long and loud.
So these Freshmen of '20 went out o'er the land
And remembered these years that to them seemed so grand;
For the years in Emporia—in old E. H. S.,
Mean more to these Seniors than people can guess.

The Senior Class Will

We, the Seniors of 1924, about to depart from these halls of learning, and being of sound mind, do hereby wish to bequeath and bestow after payment of just debts and funeral expenses, the following properties, to-wit:

To the Faculty, our dignified and sedate manners to help them control next year's Seniors.

To the coming Freshmen, we leave our Sirpless Jacksonian Nichols, which are not Hurt and will, as they have us, carry them through four happy years.

To the Freshmen—our ability to look wise in moments of necessity.

To the Sophomores—our seeming indifference to bells and to teachers, as we loiter in the corridors.

To the Junior class—our chapel seats, our superior ways, and the right to reign supreme over the entire school.

Don Sellers leaves his ability to be heard at class meetings to next year's president.

Hilma Kuntz and Nell Bowman leave their recipe for height to Ruth Thomas and Lilah Cravens.

Catherine Hughes leaves her unaffected ways to Gladys Albin.

To next year's cheer leaders, Robert George and Clyde Meredith leave their success.

Charles Underwood and Ardith Cox succeed to Willis Jones' and Edna Channell's long standing positions on the honor roll.

Golda and Silva Underhill leave their quiet, maidenly ways to Loyette Neff and Isabelle Gwinner, in hopes that they will be used.

Our athletic members leave their good record to next year's men with the hope that they will keep the good work going.

Mary Humphreys leaves her perseverance to chronic flunkers.

Belle McMaster and Ida Mayes—their ability to steer the Girl Reserves to anyone who is qualified.

We tried to get LeRoy Triggs to leave his professorish ways to some poor student, but he feels he cannot part with them.

Helen Bassett gives over her place in Mr. Brown's office to be filled by Chester Quakenbush.

Williman Vandervelde bequeaths his estimation of himself to Roy Leatherberry.

In order to be relieved of his blush, Myron Tweedy gives it, whole souled, to Ethel Jones.

Hazel Shultz leaves her collection of facts to Joe Dumm in hope that he will get rid of some of his stock quotations.

Frank Eckdall's great desire to have the last word in everything goes to "Chuck" Tholen.

Elma Mullings, Florence Hart, Mary Spencer, Audrey Wilson, Holly McIllvan, Crystal Harmon and Alice Bitler bequeath their bonnie curls to the less lucky members of the fairer sex of '25.

The places in the Glee Clubs, vacated by our musical members, are passed on to next year's aspirants.

Lynn Finkle bequeaths his bored looks to Charles Mohler.

To Preston Moon and to Morris Mayes go Clarence Martin's and Herbert Sloan's high standing in Miss Schmalzried's estimation.

To those interested in becoming salesmen, Robert Fyfe leaves his knowledge of the subject—Salesmanship.

Beulah Saffer leaves her many superstitions to Edward McMillan.

Lydia Emch bequeaths her grown up manners to Inez Greer in hopes that she will soon pass her baby talk days.

To Charles Cole and to Ward Salsberry, Paul Strickler and Miles Ames leave their extra intellectual ability.

Irenee Marmont bestows her charming dancing ability to Thelma Armstead.

Lida Eckdall leaves her stateliness to Mary Weesner.

Edward Price, Caroline Riddle, Minnie Eberle, Lela Gordon, and Esther Price, some of our four-eyed members, leave their tortoise rims to the poor Freshman to be used while burning the midnight oil.

Ralph Wagner shoves off his sleepiness to Owen Samuels.

To Wilbur Stilwell—Bennet Bailey's ability to talk half the class period on nothing.

Mary Anna Hilton leaves her slender height to Mabel Seer.

Rendel Newson leaves his natural ruddy cheeks to the Jones twins.

Our D. S. girls leave their surplus skill, in care of Miss Hancock to be distributed among the unskilled members of next year's classes.

John Brewer leaves his unusual height and occasional mustache, to Ormand Parker so that he may better fulfill our estimation of a man.

Carl Berg leaves his soft voice to Bob Smith.

Oliver Rees leaves Phyllis Prouse to be chaperoned by the faculty.

Louise Deputy and James Morris leave their hair to be used for lighting purposes when the electricity fails.

Harold Rice bestows his hands to Everett Latin so that he will not be bothered with them any more when talking.

George Bell and Ira Cowen bequeath their patent leather hair to Billie Soden and Asahel West.

To Bill McNutt, Lucille Condit bequeaths her quick, twisty movements.

Vasa Cline's and Beulah Daugherty's chubbiness goes to Leta Lucas and Mostella Estell.

Fairy Harter leaves her irresistible chuckle to Grace Place.

Myrle Barker, Valetta Johnson, Mary Burnap and Madge Corbin leave their popularity to Edna Barthel, Dorothea Smith, Gladys Miller, and Emma Ferrier.

All unmentioned members leave their good will and all property not carried with them to their alma mater—E. H. S.

Lastly, we nominate and appoint the faculty of the Emporia High School to be the executors of this, our last will and testament.

In witness whereof we have hereunto set our hand and seal this — day of May, 1924.

THE SENIOR CLASS OF 1924.

Feb. 28.—Chapel. Mr. Nichols presides. Coach Rapp talks and part of the basket ball team appears on the stage.

Feb. 29.—Yates Center comes up here to defeat the basket ball team. They are disappointed. Score: 34-11 in favor of Emporia.

ADVICE TO FRESHMEN

Innocent Fresh: "I'm a freshman girl down here; could you tell me how to get away big?"

Junior: "Eat lots of bread and milk."

He: "Do you have a strong will?"

She: "Yes, but my 'won't' is meek."

:-:-:

The modern girl is quite careful not to be lead into temptation and still more careful in her inquiries as to where to find it.

:-:-:

"This, is a hell of a situation," said Dante in the Inferno.

:-:-:

The function of the heads of several members of the Freshman class is to keep their neckties from slipping off.

Dick Bailey: "I'll bite, what is it?"

How much will you make next year?

If you go to work for less than $9 a day you will be losing money. You can make that much by attending college.

The life-time earnings of the average college graduate amount to enough more than the average high school graduate's earnings to make every day spent in college worth $9.02.

Will any one pay you $9 a day the next four years?

If so, go to work

If not,

GO TO THE COLLEGE OF EMPORIA

You will be among friends. A fourth of the students in C. of E. this year are Emporia high graduates A third of the seniors are Emporians. Those who know C. of E. best most appreciate her advantages, her friendly spirit, her fighting courage, her democratic, Christian atmosphere, her scholastic standing.
